## Friday Introduction to Photography Group restarts

Everyone will be delighted to know that (trustee/volunteer) Richard Egan has completed his radiotherapy treatment. He intends to restart the Introduction to Photography group on Fridays in August, 1.30pm-3.30pm. This is suitable for all & you don't need your own camera.

### Willow Work

Rachel helped with small, individual items. In the first workshop people made hearts, some elaborately decorated. Then we experimented with small, oval, bowl-shaped baskets.

### BBQ

Jason's suggestion of a BBQ was so successful last year, in spite of the rain, that we repeated it. Photos next month.

### Friends of BV

Crecy Boone has just come back to Leek after taking her degree in Edinburgh. She's agreed to start up a Friends of BV group, something the Trustees have wanted for some time. She'll concentrate initially on using social media. Crecy met people informally at the BBQ.

## AUGUST PROGRAMME DETAILS

Both professional writers and BV participants now lead **Creative Writing** sessions.

**Sarah** facilitates four of the Tuesday morning groups in August and **Marlene** leads the other; this very supportive group welcomes anyone interested in words.
