Miniature well-dressings with Rose

People were fascinated by the idea of creating tiny well-dressings. Instead of the traditional clay (messy!) they painted scenes or glued dried flowers, pictures, ribbon etc. into familiar triptych shapes.

Using Photos taken with Cathy

From the many & varied July photos emerged fascinating collages.

AGM

All are welcome at the AGM: an opportunity to meet & chat with trustees & receive our 2017-18 report & accounts.

Macmillan Cancer Support, coffee morning with 'bring & buy'

For 'The world's biggest coffee morning' on Friday 28th, participant (& star baker) Marlene is holding one at BV. Do support her if you can.

SEPTEMBER PROGRAMME DETAILS

Creative Writing (Tues. mornings) supported by SW Peak Landscape Partnership is facilitated by various people. **Andy** leads 2 visits & a session until professional writer **Sarah** comes back from holiday. This very supportive group welcomes anyone interested in words.

Creative Space on Tuesday afternoon, again currently funded by the SW Peak Landscape Partnership, is a chance to experiment. After a visit to the Dove Valley (working with **Elsbeth & Gordon**) we have 3 sessions with **Georgia** who introduces ways of using **wax-resist & texturing** with sand to add interest to landscapes.

Again this month: if a blank piece of paper terrifies you, **therapeutic colouring sessions** using pre-printed sheets.
